The Houston Texans are locked in as the No. 3 seed and will host the No. 6 seed in a wild-card game next weekend. Who the Texans will play depends on the results of five Sunday games.

There is a 68.75 percent chance the Texans will host the Bengals, who will earn the No. 6 seed with an upset of Baltimore on Sunday.

The Titans have a 12.5 percent chance of earning the No. 6 seed and facing the Texans at Reliant Stadium for a second consecutive weekend. The Raiders and Jets each have a 9.375 percent chance of facing the Texans. Denver cannot earn the wild-card berth.
